Rochester, MI 48308

Dear John,

As you know Pinecrest took 3rd place for residential landscape between 1 & 1 ½ acre at the Detroit Home Awards. I want to thank you for all you did to make the landscaping such a beautiful part of a beautiful home. It was your outstanding work which contributed so much to the overall spectacular qualities of the home.

We look forward to working with you on future endeavors and maybe even future awards!

A handwritten signature in black ink, appearing to read "D. Tringali", is positioned above the typed name.
